Mt. Takao / Sports Park Route

約8km

The route is for those with strong legs as it covers the Oita Sports Park area. It is suited to those who want to work out since it has many hills. You might forget you were ever tired when you see the spectacular views from the park's observatory.

Don't speed on a downhill!

Let's get off the bike and take a walk

Watch out for pedestrians in the park

360-degree Panorama!

7.8km, 60mins from Oita Station.
