Keibin Railway Ruins Exploration Route

Approx. 9km

The level route follows the disused railway tracks of Keibin Railway which was in service until 1963. Why not go on a sentimental journey as you cycle through the tunnel that has remained unchanged?

sentimental journey as you cycle through the tunnel that has remained unchanged?

Saganoseki Cycling Road

The pleasant seaside cycling lane is on the disused railway tracks of Keibin Railway. It'll be lovely to go down to the beach for a break.
